

**Citation Elements in order:**

**Document Example:**

- ① **Map title:** Mauritius
- ② **Descriptive label:** Map
- ③ **Place of Publication:** Washington D.C.
- ③ **Publisher:** Central Intelligence Agency.
- ④ **Publication date:** 1988
- ⑤ **Format:** Print

**Proper Citation Format:**

*Mauritius*. Map. Washington: CIA, 1988. Print.

**Parenthetical Reference**

When citing documents that lead with a title, use the title, or part of the title, in the parenthetical reference. When using part of the title, start with the words at the beginning of the title. Put your parenthetical references at the ends of your sentences:

(*Mauritius*).
